WORDS OF WISDOM

Wisdom is knowing when to speak you mind and when to mind your speech.

A man is never a failure until he blames someone else for his failure.

SO, YOU THINK YOUR POOR

There are many scriptures in the Bible that tell us why Jesus came into the world. But there is one that stands out in regards to the reason for coming to earth. "For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich" (II Corinthians 8:9).

There are three facts stated in this scripture about his coming: (1) "He was rich"; (2) "He became poor"; (3) "That you might be rich". How can we measure the grace of God's love? To think that He gave "His only Son" as a sacrifice for people who didn't accept Him, and still don't".

Yes, He was rich, because He possessed heaven and earth. All the works of creation were His because He created them. "All things were made by Him, and without Him was not anything made that was made" (John 1:3).

"He became poor", He gave up the glory of heaven to become human. He was born into one of the poorest family in Galilee and all His days on earth, He was poor. He said, "Foxes have holes and birds of the air have nest, but the Son of Man has nowhere to lay His head" (Matt. 8:20).

Why did He do this? "...yet for you sakes He became poor, that you through His poverty might become rich." Isn't this the greatest demonstration of His grace? "For your sake" is the heart of the meaning of His coming and death. "But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us" (Rom. 5:8).

We should never stop rejoicing over the amazing expression of God's love toward us through Christ in providing so great redemption, and bringing us into such a rich inheritance! Yes, He became poor, that through Him you might be rich! Count your blessings.

WHAT IS THE WORLD COMING TOO?

A recent report suggest that aggressive behavior in young people is due to TV watching and video games. Image that!

Sixty-three four – your old children were observed for aggression during their play activities and also had parents keep careful logs of two weeks of their TV viewing. They were followed over a six year period of time. Multiple family factors were studied. Students watching more TV, especially violent programs, showed a decrease in self-restraint. Heavy TV violence is associated with later aggression, restlessness, and belief in a frightening world. (Yale University—National Coalition on Television Violence).

There a many people think that guns are the cause of all the violence reported today. Could it be that TV is the cause?
